

Application for Approval as a Grade 1 Controller

The requirements for becoming a Grade 1 Controller are specified in Appendix C (Event Officials) of the BOF Rules 2003. At the time of producing this form the requirements were as follows:

- Successfully control at least two events at Level 3 within the previous eight years (one of which within four years).
- Successfully plan or co-plan at least one event at Level 3 after becoming a Controller Grade 2 and within the previous eight years.
- Successfully organise or co-organise at least one event at Level 3.
- Attend a BOF Controller Grade 1 course.
- Be proposed by their Association.
- Be appointed by BOF Rules Group.

This form should be completed by the applicant and then passed to your Association for endorsement. It should then be sent to the Chairman of BOF Rules Group. Applications are normally considered at the next available meeting: these are usually in March, June and November each year.
