British Orienteering
8a Stancliffe House
Whitworth Road
Darley Dale
Matlock
Derbyshire

<p>Notes on completing the MR1 Map Registration Form</p>

1. Please give the full grid reference (2 letters / 6 figures)
2. Please give details for the club owning the map, not the mapper's club if different.
3. Please give event details for the first use of this version of the map, if known.
4. Provided that the map is registered with British Orienteering, non-commercial mapping activities, in connection with that map, will be covered by the British Orienteering's civil liability insurance. A non-commercial cartographer or surveyor is defined for this purpose as one whose total income from mapping related activities (excluding expenses) is less than £5000 in the year in question. A tick against 'Non-Commercial' constitutes a declaration that the person in question has not earned, and does not expect to earn, more than £5000 from mapping related activities in that year. British Orienteering's liability insurance will not apply to persons ticking the 'Commercial ' box. They are strongly advised to obtain their own liability insurance. (Note that the British Orienteering insurance is a liability insurance only, i.e. it covers individuals, Clubs, Associations and British Orienteering against any claims which may arise in connection with the mapping. It does not cover personal accident, injury, theft, loss of equipment etc.)
5. Where more than one surveyor has taken part in the survey, only the principal surveyor should be included on this section of the form.
6. Please name the person who should be contacted for further information about this map.
