

Association & Club Conference

Saturday 15 October 2011
11:00 – 17:00

A venue in Sheffield to be determined

Notice of Meeting

A Conference of Association and Club representatives will be held on Saturday 15 October 2011 in a venue to be confirmed in Sheffield.

Invitations to attend:

Association Representatives
Club Representatives
Board members

Invites extend to up to 2 members of each club and association that are chosen (by the club or association) to represent their views. Club/Association chairs or secretaries must confirm the names of delegates attending on behalf of their club or association. This will register their attendance.

Agenda

The Board would like to place the following items on the agenda:

- 1. Whole Sport Plan 2013/2017**
- 2. Committee structure and membership**
- 3. Membership & Levy proposal for the 2012 AGM**
- 4. Articles of Association proposal for the 2012 AGM**

This is an opportunity for attendees to make their association or club views known on a variety of important and strategic matters and Board members look forward to gaining insight into thinking on these matters.

Associations and Clubs are also asked to raise strategic items or issues that you would like to be added to the agenda. Any such requests should be sent for consideration to Laura Martin, Executive Officer (laura@britishorienteering.org.uk) by the end of August 2011. Whilst it may not be feasible to add all such items to the agenda, those items that are of strategic importance and are common to several requests will be added.

Further details and papers for the Conference will be circulated as soon as they are drafted and at the latest by the end of July. We are aware that this is later than we would wish to circulate papers for your consideration however timescales are short for 2011. For 2012 onwards, papers will be circulated 6 months prior to the meeting to ensure that they can be fully considered at association and club meetings.

The above provides an outline and early notice of the Club and Association conference. Further details including venue, agenda and structure of the day will follow in the coming weeks.
