

Advice Groups and Additional Support

It is important to British Orienteering that anyone experiencing any child protection grievance, issue or complaint is provided with support. You can always contact your Club Welfare Officer or the Lead Child Welfare Officer (01629 734042) to discuss any concerns or for support.

If you feel like you want to talk to someone outside orienteering there are a number of advice groups that you can contact. They are trained to deal with issues relating to child welfare and protection. They include:
