A LITTLE BIT ABOUT **XPLORER**

01

Xplorer is the sister brand of British Orienteering incorporating Orienteering skills in a simple fun and a fully inclusive way!

02

It's a family-friendly fun navigation challenge that is educational and gives children a sense of adventure as they explore the park to find the markers.

03

Xplorer is suitable for ALL ages! It also builds on confidence and navigation skills.

04

The aim is to find all the markers, giving children the opportunity to identify what is pictured and enjoy learning a fun fact to tell their friends.

XPLORER UPDATES!

Our new Facebook page

Please like and follow our new [Facebook page](#). We want to see how you're using Xplorer in your area so please use it as a platform to share your ideas, images, and your upcoming events.

Brand new Digital Marketing Toolkit

Our new digital marketing toolkit is coming very soon! Exclusively available to partners only, we have created a hub of marketing resources to help you promote your events on social media. You will also find all the solution sheets for our marker sets here.

Mini rebrand of Xplorer

Xplorer has been around for 15 years, so some markers are due a new look! We will therefore be refreshing some of the markers over the next few years. You can still continue to use them with the existing ones, the content will not change but the visuals will.

XPLORER TIME TRAIL

Xplorer Time Trail Markers.

Our new Time Trail adds another fun layer to the Xplorer challenges along with incorporating real Orienteering skills.

These markers are participant-led making Xplorer a little more interactive, participants scan the Start QR CODE enter a team name and then the timer starts. (There are instructions on both cards for the user.)

There will be Time Trail marketing tools, available on the Xplorer website through your login, enabling you to advertise that they are in your park.

Time Trail cards can be purchased via our online Shop, and they are £25.00 per set.
