**3) Proposal 3: Membership Fees and Event Levy 2019**

From 1<sup>st</sup> January 2019 until amended, fees will be as follows:

Senior member: £11.00

Junior member: £5.00

Levy per senior – equivalent event participant: £1.50

Club affiliation fee: £60.00

University Club affiliation fee: £20.00

No change to event levy was proposed.

**Proposed:** The Board of Directors

Mike Forrest (BOK) asked if the increase of membership fees rather than through the competition levy was a strategic decision by the Board?

The Chair responded by explaining that the Chief Executive is reviewing the strategic plan thoroughly, but a short-term interim decision has been made.

Mike Elliott (MV) stated that the increase in fees is disadvantageous to juniors and families.

Philip Baxter (LVO, Board Member) explained that although the percentage increase in the junior membership fee is bigger the overall cost is still low and that membership fees was not a barrier to new members.

Scott Collier (KERNO) asked where the feedback has been received from in respect of the barrier to membership.

Craig Anthony explained that a lapsed member survey was created using Survey Monkey and the link sent to all lapsed members.

The Chief Executive added that he had reviewed the cost for membership fees for many sports in the sector and that British Orienteering membership fees were at the lower end of the market place.

Tom Dobra (BOK) expressed concern on the proportionate increase in university club affiliation fees and the impact it will have on the clubs.

The Treasurer highlighted that the increase in club and university club affiliation fees are due to the increase in insurance fees because of the employer's liability insurance.

Arthur Vince (KERNO) asked how many university clubs are affiliated currently?

The Chair responded saying that there are currently around 10 university clubs.

Olivia Baxter (LVO) added that her university club was given a grant to cover the affiliation fees.

Rob Lines (SO) highlighted that the major events charge high entry fees which is a barrier to entry for juniors and those that have left university, and would British Orienteering consider raising the age of juniors from 21 to 25?

The Chair thanked Rob for his suggestion and explained that the Board will look into this, but it must be recognised that events have to reflect the cost of hosting them.

The membership fees and event levy 2019 were approved by consensus.

## 10. Elections

Re-election of Sir Chris Bonington as President of British Orienteering had been proposed by the Board.

The re-election of the President was unanimous, supported by a show of hands.
